

## Waxing

*We use the latest strip wax roller system for legs and male waxing and a gentle hot wax for the more delicate areas. Only the highest standard of hygiene is displayed throughout all waxing treatments including disposable wax and spatulas. We use an alcohol and chemical free pre-wax skin cleanser and never use talc in our treatments.*

# Facial Options

## Classic Nimue Facials

*Designed for all skin types and customised to your specific skin needs. Essentials including a pineapple and papaya enzyme exfoliator, masks, finishing products and a relaxing shoulder massage.*

**Classic 45 minutes \$75.00**

**Classic 60 minutes \$89.00**

**Classic Active Rejuvenation 60 mins \$109.00**

*This treatment is a potent, yet gentle and safe active treatment delivering powerful results such as refined texture, pore size, elasticity and vitality. A complex of 3 alpha hydroxy acids - glycolic, lactic and citric is applied to the skin for a more radiant, smoother texture.*

## Advanced Nimue Designer Peels and Facials

*Advanced treatments are only available to clients who have been on Nimue skincare for 4 - 6 weeks, to ensure skin is at its optimal level for active treatments. Treatments can be performed as a one off or maintenance treatment however it is recommended to complete a course as directed by your skin therapist for best results.*

**35% Glycolic Treatment (60mins) \$119.00**

*The Glycolic Peel treatment provides controlled and predictable removal of skin cells to improve hydration levels, texture and appearance of the skin. This treatment is recommended as part of a course every 1-2 weeks, approx. 6 treatments in total.*

**TCA (45mins) \$119.00**

*A deep exfoliating treatment resulting in a radiant and smooth skin texture with superficial peeling. This treatment is recommended as part of a course every 1-2 weeks, approx. 6 treatments in total.*

**Designer Peels (60mins) \$139.00**

*These latest skin treatments focus on the three "R's", rejuvenating, repairing and replacing. They provide a gentle resurfacing treatment without overstimulating the skin. With highly advanced active ingredients and delivery systems you will see an improvement in skin texture, hydration and tone as well as targeting either hyperpigmentation, problematic skin or environmentally damaged skin. Recommended as part of a course every 2-4 weeks, approx. 6 treatments in total.*

## Advanced Nimue Designer Peels and Facials continued

**Micro - Needling (Collagen Induction Therapy)**

(45mins-1hr) \$180.00

*Your own micro needling roller (1 per course) is included in this price. Also known as collagen induction or dermal rolling this treatment stimulates the body's natural collagen production. The top layer of the skin is preserved while the roller causes tiny micro breaks within the skin. In response the skin cells release a series of growth factors and proteins which promote collagen and elastin production. A full face alternative to Botox, this is a specialised rejuvenation treatment for sun damaged skin, lines and wrinkles and superficial acne scarring. Recommended course of 6 sessions. Can be repeated 2 times yearly.*

**When any of the advanced treatments are purchased as a course of 6, (ie, paid for at the completion of treatment one) you receive the 6th treatment for FREE!**
