

## Waxing

*We use the latest strip wax roller system for legs and male waxing and a gentle hot wax for the more delicate areas. Only the highest standard of hygiene is displayed throughout all waxing treatments including disposable wax and spatulas. We use an alcohol and chemical free pre-wax skin cleanser and never use talc in our treatments.*

# Facial Options

## Nimue Skin Technology

*We use and are passionate about Nimue Skin Technology which is a derma-cosmeceutical skincare brand sold in 23 countries around the world. Nimue is known for its advanced formulations and scientifically proven delivery systems which ensure our products penetrate deep into the skin to actively improve skin health and appearance. Nimue use pharmaceutical grade nutrients, antioxidants, vitamins, phytochemicals, peptides and other powerful active ingredients and contains no artificial colours, fragrances, parabens, lanolin, mineral oil or SLS. And definitely no animal testing right from the raw ingredient to the finished product.*

## Facial Options

*All Facials whether Classic or Advanced will be tailored to your specific skins needs. They will include a cleanse, condition, enzyme exfoliator, finishing products and a relaxing neck and shoulder massage. We will also incorporate as needed customised actives and intensive masks to create a bespoke treatment designed exclusively for your skin.*

## Classic Nimue Facials

**Classic 45 minutes \$85.00**

**Classic 60 minutes \$99.00**

**Classic Active Rejuvenation 60 mins \$125.00**

*This treatment is a potent, yet gentle and safe active treatment delivering powerful results such as refined texture, pore size, elasticity and vitality. A complex of 3 alpha hydroxy acids - glycolic, lactic and citric is applied to the skin for a more radiant, smoother texture.*

## Advanced Nimue Designer Peels and Facials

*Advanced treatments are only available to clients who have been on Nimue skincare for 4 - 6 weeks, to ensure skin is at its optimal level for active treatments. Treatments can be performed as a one off or maintenance treatment. It is recommended to complete a course as directed by your skin therapist for best results.*

**35% Glycolic Treatment (60mins) \$130.00**

*The Glycolic Peel treatment provides controlled and predictable removal of skin cells to improve hydration levels, texture and appearance of the skin. This treatment is recommended as part of a course every 1-2 weeks, approx. 6 treatments in total.*

**TCA (45mins) \$130.00**

*A deep exfoliating treatment resulting in a radiant and smooth skin texture with superficial peeling. This treatment is recommended as part of a course every 1-2 weeks, approx. 6 treatments in total.*

**Designer Peels (60mins) \$145.00**

*These latest skin treatments focus on the three "R's", rejuvenating, repairing and replacing. They provide a gentle resurfacing treatment without overstimulating the skin. With highly advanced active ingredients and delivery systems you will see an improvement in skin texture, hydration and tone as well as targeting either hyperpigmentation, problematic skin or environmentally damaged skin. Recommended as part of a course every 2-4 weeks, approx. 6 treatments in total.*

## Facial Add On's

**Add a relaxing back, neck and shoulder massage  
(20 minutes) \$40.00**

*\*Prices current as of March 2019*
